

7 September 2016

To whom it may concern

With this document I, Wian Mouton, Business Manager of SNFL South Africa (Pty) Ltd. can confirm that SNFL South Africa (Pty) Ltd is the exclusive owner of the plant variety rights of all Sheehan varieties. The varieties included, but not limited are the following:

- Sheegene 2
- Sheegene 3
- Sheegene 12
- Sheegene 13
- Sheegene 20
- Sheegene 21
- Blagratwo

SNFL South Africa (Pty) Ltd. has signed contractual agreements with two vine nurseries in South Africa to allow them to graft and propagate plant material of all table grape varieties owned and managed by SNFL. The two licensed nurseries are:

- Voor Groenberg nurseries CC
- Bosman Adama (Pty) Ltd T/A Lelienfontein Vine Growers

On instruction by SNFL, plant material of SNFL owned and managed varieties can be propagated and supplied to commercial table grape growers in South Africa and Namibia.

For any further enquiries please contact Wian Mouton

Thank you
